DATE PREPARED 17 November 1950

1. No radar set was observed within 500-meters of the Jueterbog-Damm airfield between 6 and 10 October 1950. * Only two wooden frames, apparently used for firing practice, were seen at the eastern edge of the field west of the Jueterbog-Bochow road and in line with kilometer markers 0.7 and 1.2. **
2. Five biplanes took off from and landed at the field at irregular intervals. *** Prior to each take-off an air force officer went to the starting plane.

at Jueterbog-Damm on 7 October 1950.

** Comment. The purpose of these frames is unknown.

*** Comment. Biplanes were previously observed at this field.
 They were probably courier planes of army units.
